

As a new believer you now can learn  
what truly makes you happy.

Teach yourself to be thankful  
for what makes you happy on the inside  
rather than things you see on the outside.

Put your trust in God,  
only He can fill you with contentment.

One day when we die our body will be  
buried in the ground and our soul and spirit  
will immediately be with God.

Just as a seed planted in the ground  
will lose its outer shell and die,  
there will sprout a new life from within.  
Our soul and spirit will live forever in heaven.

We have so much to look forward to.  
When we are saved our thoughts change.

Keep close to God and He will give us love,  
peace, longsuffering, gentleness,  
goodness and faith.

What more could we need to be content?

*Contentment is from Within*

We live in a fast paced world with everyone  
scrambling here and there trying to find  
some kind of satisfaction.

People are looking for things that are pleasing  
to the eye rather than satisfying to the soul.

We collect things and enjoy them for a while,  
but soon we set them aside and look  
For the next new thing.

There is nothing we can take with us when we die.  
When our minds are set on material things we tend  
to stray from God. The Bible says "The love of  
money is the root of all evil." It leads to misery,  
discontentment depression, anxiety, anger  
and other negative feelings.

Our Heavenly Father wants us to be happy.  
1 Timothy 6:6 tells us  
"Godliness with contentment is great gain."

We need to flee from our evil ways and follow  
after righteousness, godliness, faith, love patience  
and meekness. This is where true contentment is.  
Matthew 6:19-20 tells us not to lay up our treasures  
on earth, because they will eventually be destroyed,  
but rather lay them up in heaven  
where they will last forever.

For where our treasure is, there your heart will be  
also. Do we want what is eternal? I would hope so.

God never promised to give us everything we want,  
but He did promise to supply all our needs.  
Philippians 4:19

In Luke 12:22-24 God tells us not to worry  
about our necessities because just as  
He takes care of the birds of the air,  
He will also take care of us.

Our world seems to be spinning out of control  
with people looking for happiness, but the only  
true way is to find it through Christ.

Friend, if you would like to be a child of God,  
pray to the Heavenly Father and confess your sins.  
Ask Him to forgive you. Believe that Jesus died on  
the cross to take away your sins and rose again.  
Ask Him to be your Savior and  
thank Him for saving your soul. Amen.

The things of this present world are not important.  
They are here today and gone tomorrow, but the  
things you do for Christ will last for eternity.
