*A poor widow went to the temple court to offer to the Lord all that she had. Her aging hands slipped the two mites into the treasury barely making a sound, unlike the others. She longed that she could give more. How faithful the Lord has been to her especially after the death of her husband.*

*She quietly walked back from the treasury unaware that Jesus was watching. Her meager sacrifice caught His attention knowing how much it had cost her.*

*Jesus called to His disciples, ... "This poor woman has put more into the treasury than all the others. They gave out of their wealth; but she, gave out of her poverty, put in everything - all she had to live on".*
